1-2. References

Required publications, prescribed forms, and referenced forms are listed in Appendix A.

1-3. Explanations of abbreviations and special terms

Explanations of abbreviations and special terms used in this regulation are listed in the glossary.

1-4. Responsibilities

a. The Commanding General (CG), US Army Cadet Command (USACC), has managerial and operational responsibility for the ROTC Program, except for those functions and responsibilities retained by Headquarters, Department of the Army (HQDA) and U.S. Army Training and Doctrine Command.

b. Brigade commanders are responsible for those functions identified in this regulation and as otherwise directed by Headquarters, Cadet Command (USACC HQS).

c. Professors of Military Science (PMS) are responsible for the implementation of policies and procedures outlined in this regulation and in accordance with (IAW) applicable Army regulations.

1-5. Objectives

a. To specify the basic policies and procedures for appointing ROTC Cadets as commissioned officers in the U.S. Army.

b. To ensure Cadets who satisfactorily complete all ROTC requirements, including the Advanced camp, and possess a baccalaureate degree granted by an accredited college or university are commissioned IAW Army Regulation (AR) 145-1, Senior Reserve Officers’ Training Corps Program: Organization, Administration And Training, Chapter 6, and Sections I and II of this regulation.

c. To ensure Cadets who have completed all ROTC requirements and have 36 months or less to complete a baccalaureate degree are not commissioned except under those conditions provided for Early Commissioning Program (ECP) officers.
Chapter 2 – Component Selection and Branching

2-1. Definition

Selection is the process by which a Cadet/lieutenant is assigned to a duty component status (AD, RD, or DL) and branching is the process by which the Cadet/lieutenant is assigned to basic and control branches.

2-2. Component/Branching Files

   a. The PMS is responsible for the preparation of electronic accession files in accordance with the annual U.S. Army Cadet Command (USACC) Circular 601-XX-1 (pending). Component/Branching files will be submitted for Cadets and ECP officers whose graduation/commission dates fall within the accession zone designated in the annual HQDA/ROTC Accessions Guidance and/or USACC accessions regulations and circulars.

   b. A Cadet who was not branched during the regular board process may be reviewed by a standby board provided:

      (1) The Cadet’s graduation and commissioning dates meet the suspense date identified in USACC Circular 601-XX-1 (pending).

      (2) Extenuating circumstances existed which prevented the Cadet from being accessed during the regular HQDA/ROTC Selection and Branching Board.

      (3) The Cadet’s component/branching file is received at USACC G1, Accessions and Security Division (ASD) prior to the suspense date established in USACC Circular 601-XX-1 (pending) of the Fiscal Year (FY) in which the Cadet will be commissioned. Files received after the established cutoff date will be returned and held by the ROTC Program for submission and consideration at the next Fiscal Year (FY) HQDA/ROTC Selection and Branching Board.

2-3. Branching and Commissioning Policies

   a. Guaranteed Reserve Force Duty (GRFD) scholarship. Recipients of a GRFD scholarship must execute an ROTC Cadet Command Form 203-R, Guaranteed Reserve Force Duty (GRFD) Scholarship Cadet Contract Endorsement, IAW USACC Regulation 145-10. These Cadets are ineligible to apply for active duty since revocation of the GRFD endorsement is not authorized.

   b. Cadets with a Cadet Command Form 202-R, Guaranteed Reserve Forces Duty (GRFD) Non-Scholarship Contract Endorsement, cannot apply for AD unless they have completed Cadet Command Form 204-R, Revocation of the Guaranteed Reserve Forces Duty (GRFD) Cadet Contract Endorsement, IAW USACC Regulation 145-10. The CG, USACC, is the approving authority for revocations. A copy of the approved request must be maintained at the ROTC Program in the accession hard-copy file.
c. Branching: All Cadets selected for Regular Army (RA) appointment/active duty component will be branched based on the OML and Talent Management process. All other Cadets assigned to Reserve Forces Duty (RFD) either to the United States Army Reserve (USAR) or Army National Guard (ARNG) will be branched based on qualifications and the vacancies which they are to fill in the United States Army Reserve or by the Army National Guard Officer Strength Manager in the state where they plan to fulfill their military service obligation.

2-4. Campus Order of Merit List (OML)

The PMS will use the following factors to establish the Campus OML: ROTC Program participation, campus activities, and academic performance.

2-5. Distinguished Military Student (DMS)/Graduate (DMG)

a. At the beginning of each school year (SY), the PMS will use an OML to rank all Cadets who attended CLC the preceding summer. This OML will be used to designate the DMS within the ROTC Program.

b. The CG, USACC, is the designation authority for DMG and USACC HQS, Deputy Chief of Staff (DCS), G1, Accessions and Security Division (ASD), Accessions Branch, is responsible for obtaining and completing the DMG certificates while ROTC Programs complete the DMS certificates.

c. Designation as a DMG.

(1) Criteria for DMG selection:

(a) Cadet is ranked in the top 20% of the National OML and meets the criteria in paragraphs (b) and (c) below. USACC HQS will announce DMG selections when board results are released.

(b) Successfully completed Advanced camp. (Previously named Cadet Leader Course.)

(c) Graduated with a baccalaureate degree, or has a statement from the head of the institution that all requirements for a baccalaureate have been completed and the degree will be conferred at the next regular commencement.

(2) USACC HQS will issue the certificate, DA Form 2164, signed by the CG, Cadet Command, and forward to the PMS. When the Cadet is otherwise qualified, the PMS will add his/her signature block to the form, sign, date, and present the certificate to each selectee. The date on the form is the effective date upon which full and complete graduation occurs, the date of the statement from the head of the institution in the case of other than end-year students who fall within the intent of paragraph c(1)(c) above, or the date of Advanced camp completion if the Cadet has graduated.
"Graduated" in this context includes academic graduation or completion of requirements for graduation as evidenced by a statement from the appropriate school official and successful completion of Advanced Camp.

(3) If the PMS determines a basis exists to withdraw the DMG designation from a Cadet, a request for withdrawal detailing the basis must be submitted through Brigade to USACC G1, Accessions and Security Division USACC HQS (ATCC-PAS-A).

2-6. Cadet Command Outcome Metrics List (OML) Model

a. The National OML is established each year for all Cadets and ECP lieutenants who have commissioning and/or graduation dates that fall within a specified accession zone established by the Department of the Army (DA). The OML serves as the primary input for the HQDA/ROTC Selection and Branching processes, which determine component (RA, USAR, ARNG, or DL), as well as basic and control branches.

b. Background: The requirement for a National OML was directed for development in 2003 by the Assistant Secretary of the Army for Manpower and Reserve Affairs. In Fiscal Year 2016 the Order of Merit Model was significantly changed and renamed the Outcome Metrics List (OML) Model. Key components of the OML model were adjusted to measure Academic and Leadership outcomes. The OML remains a tool used to measure the accomplishment of learning outcomes of each Cadet through the MS III year (MS IV for MJC Cadets). The model calculates an Outcome Metrics Score (OMS) for each Cadet. For each annual accessions cohort, the respective OMSs generate a merit-based ranking of the Cadets (highest to lowest) to be used in determining Component Selection and Branching. USACC Circular 601-XX-1 (pending) is published annually to announce changes to the OML Model, announce accessions and talent management timelines, and general administrative procedures pertinent for completing each Cadet’s CCIMM electronic accession file.

c. Talent Management: The USACC Talent Management Program is a tool to assist the Army through the component and branching process. It will play a significant factor in the HQDA/ROTC RA Branching process. The goal is to better assess, educate, inform, and mentor Cadets to identify their unique talents, develop those critical talents the Army desires, and assist Cadets in making informed component and branching decisions. This program will provide Cadets with a greater level of information about the three Components of the Army and the 17 basic branches. The Talent Management website is where the Cadet begins self-education, self-assessment, and contact mentors in specific branches. The website is accessed through the internet.
Chapter 3 – Commissioning

3-1. Definition

ROTC graduates who complete commissioning requirements are eligible for appointment as commissioned officers in the U.S. Army once the officer nomination/officer scroll is approved by the Secretary of Defense. The Professor of Military Science is authorized to commission/appoint ROTC graduates only after the appointment nomination is confirmed prior to commissioning. The nomination date can be confirmed in CCIMM 2.0 on the “Cadet Accessions” tab under “Officer Nomination (Scroll)”.

3-2. Commissioning Authority

a. The PMS is responsible for verifying eligibility, preparing required appointment documents, and executing the appointment when all requirements are met. The Officer Appointment Checklist – USACC Form 145-5-1, 31 March 2015 is enclosed at Appendix C. Each ROTC Program should complete this form for each Cadet in the accession zone.

b. Basic eligibility for appointment is contained in AR 145-1. Careful attention to each criterion must be exercised to preclude erroneous commissions.

c. AR 145-1, Senior ROTC Program: Organization, Administration, and Training, provides revocation authority. Erroneous commissions must be reported to USACC G1, ASD immediately upon discovery of a potential issue.

3-3. Eligibility for Appointment

All Cadets must meet the requirements of AR 145-1 and the following:

a. Citizenship. All applicants for appointment must be citizens of the United States. Immigrant aliens approved to participate in the Senior Reserve Officers’ Training Course (SROTC) program must be citizens by their graduation date in order to remain eligible for commissioning. Immigrant aliens who do not attain citizenship until after graduation may apply for direct appointment IAW AR 135-100, Appointment of Commissioned and Warrant Officers of the Army.

b. Medical Qualification. Commissioning physicals must be completed on each Cadet prior to appointment. The commissioning physical, normally completed at CLC, must not be more than two years old (based on date of physical) at the time of appointment. All Cadets with expired physicals must take the Retention Physical referenced in AR 40-501, Chapter 3. There are no exceptions. Questions regarding medical status or physical examinations should be directed to USACC HQS, G1, Cadet Actions and Standards Division.
c. Physical Fitness.

(1) Each applicant for appointment must pass the Army Physical Fitness Test (APFT) before commissioning. The PMS must administer this test a minimum of 130 days prior to appointment and may conduct re-tests as needed to verify physical fitness. Cadets who fail to meet the APFT standards will not be appointed and are subject to disenrollment IAW AR 145-1.

(2) The Occupational Physical Assessment Test (OPAT). Army guidance on this topic is pending. Guidance will be provided once Army leadership approves requirements and application in the appointment and branching process.

d. Height and Weight Certification. The PMS must verify each applicant meets the height/weight standard set forth in AR 600-9, The Army Weight Control Program, at the time of appointment. The Height and Weight Certificate (figure 3-1) will be executed and attached to the appointment physical.

e. Cadets must complete a drug test in accordance with USACC Regulation 600-85 (Rapid Action Revision dated 20 Dec 13), Army Substance Abuse Program Drug Testing Program Prevention and Education, within 90 days of commissioning.

f. Branching. Normally, a Cadet must be considered by the HQDA/ROTC Selection and Branching Board prior to commissioning. Exceptions to this policy are:

(1) Cadets attending a Military Junior College (MJC) that meet the requirements of AR 145-1 will be commissioned upon graduation from the MJC. Chapter 5 outlines the procedures for commissioning, branching and accession of MJC Cadets.

(2) Cadets who have graduated from a four-year institution, completed all Military Science instruction and meet the requirements of AR 145-1 will be commissioned after successful completion of CLC (End of Camp Commissions). Their electronic files will appear before the next HQDA/ROTC Component and Branching processes.

(3) Cadets who have completed all Military Science instruction but have not been branched will be commissioned upon completion of their baccalaureate degree. Their Accession Management Sheet will appear before a standby component/branching board or the next regular HQDA/ROTC Branching Board, as appropriate for duty, branch designation and assignment.

3-4. Appointment in the Reserve of the Army

a. Individuals must be on a signed appointment scroll before commissioning in accordance with Title 10, United States Code, Chapter 1205, Section 12201; no individual can be appointed prior to approval of the nomination. Appointment authorities will not allow the appointment of officers, nor publishing or distribution of orders or request for orders, prior to Secretary of Defense or Senate approval/confirmation. The approval/confirmation of individuals nominated for appointment is contained in source documents commonly referred to as “appointment scrolls”. The appointment scroll(s) of nominated Cadets are submitted to the Office of the Secretary of Defense by USACC G1, ASD. The approved/confirmed scroll(s) are subsequently managed by USACC G1, ASD, for reference.

b. All ROTC Cadets are appointed as a Reserve Commissioned Officer first and will be processed by the PMS and USACC G1, ASD in accordance with this regulation. The ONLY exception is Green to Gold Active Duty Option (ADO) Cadets; all other Green to Gold Cadets will have an USAR appointment at time of commissioning. Green to Gold ADO Cadets cannot have a break in active duty service and are appointed in the Regular Army (RA) at the time of commissioning. The PMS must confirm that Green to Gold ADO Cadets are on a signed Regular Army Scroll date reflected in CCIMM 2.0. The nomination date can be confirmed in CCIMM 2.0 on the “Cadet Accessions” tab under "Officer Nomination (Scroll)".

3-5. Regular Army Appointment guidelines

a. All Green to Gold ADO Lieutenants are authorized immediate active duty (AD) and must execute the Regular Army Oath, DA Form 71, and Memorandum of Appointment for Regular Army, on the first day of duty as a Second Lieutenant (2LT).
This date will also be updated on the Active Duty List (ADL). If this action is not accomplished, the 2LT’s AD status will not be activated, nor will they be eligible for DEERS enrollment or issued a Common Access Card for active duty.

b. Gold Bar Recruiters (GBRs) must execute the Regular Army Oath, DA Form 71, on their report date for GBR duty. PMS will ensure the documents are complete and executed properly. Once the RA Oath is executed, the ROTC Program Human Resources Assistant (HRA) will scan and upload the documents into iPERMS and provide the 2LT with the original documents.

c. 2LTs who are selected to perform duty as Advanced camp (CLC) Cadre or Basic camp Cadre will continue to execute the Reserve commissioned officers Oath of Office at commissioning. PMSs will ensure that these 2LTs have an additional DA Form 71 and Memorandum of Appointment before departure from school which must be hand carried to the Advanced camp/Basic camp location. These documents will contain all information except the date and signature block of the officer executing the oath. These documents will be completed at the time of the execution of the Regular Army (RA) Oath by the Advanced camp/Basic camp Headquarters staff. Advanced camp/Basic camp Headquarters’ staff will scan and upload the RA Oath/DA Form 71 and Memorandum of Regular Army Appointment into iPERMS and provide the original documents to the officer.

d. All other 2LTs will initially execute the Army Oath of Office/DA Form 71 and Memorandum of Reserve Army commissioned officer Appointment at time of commissioning as this is the first step taken prior to official placement on the ADL. On their report date to Basic Officer Leaders Course-Branch (BOLC-B), 2LTs will execute the RA Oath of Office. The BOLC-B Headquarters is responsible for execution of the RA Oath, completion of the DA Form 71, and Memorandum of Appointment for Regular Army, each respective BOLC-B headquarters will also scan and upload those documents into iPERMS and provide the officer originals of each document.

e. The RA Oath/DA Form 71 must be included as part of the officer’s Official Military Personnel File (OMPF) and scanned and loaded into iPERMS. HRA must also maintain a hardcopy in the 2LT’s ROTC Program file. The newly commissioned 2LT should maintain the original copy.

f. Attendance at BOLC-B takes precedence over Advanced camp/Basic camp and GBR duty by issuance of appropriate orders from USACC HQS G1, Accessions and Security Division (ASD).

g. Cadets selected for DL will be transferred to Human Resources Command (ATTN: AHRC-ORD-A) by USACC G1, ASD.

h. Cadets selected for RD will be transferred to Human Resources Command (ATTN: AHRC-ORD-A ) for further assignment in the USAR or ARNG. See Figure 3-4 USAR Accession Packet Requirements.
3-6. PMS Responsibilities

a. The PMS is authorized to approve commissioning after verifying that all eligibility requirements for appointment outlined in AR 145-1 and this regulation are met. The PMS will complete Cadet Command Form 145-5-1, Officer Appointment Checklist, dated 31 March 2015, to ensure all appointment criteria are met. See Appendix C.

b. For 2LTs being appointed with a 4-year degree, the PMS must verify with proper school officials that the degree is being conferred prior to administering the Oath of Office, unless it has been waived in accordance with AR 145-1. Failure to complete academic requirements is one of the most frequent reasons for an erroneous appointment. Follow the procedures in specified in paragraph 3-8 below when a Cadet fails to complete degree requirements and does not graduate.

c. The PMS will notify USACC G1, Accessions and Security, in writing, when it is discovered after commissioning that appointment eligibility criteria were not met at the time of appointment. A memorandum must be prepared and submitted thru Brigade to USACC G1, ASD to explain circumstances involving the erroneous appointment. The PMS will initiate no other action until a decision is reached by USACC G1, ASD.

d. Ensure all 2LTs selected for AD are counseled on the following requirements (see AR 600-8-10, Leaves and Passes):

   (1) USACC G1, ASD staff will use POV mode of travel to compute the authorized travel time from present accessioning location to the BOLC-B, Advanced camp, or Basic camp installation unless commercial air mode of travel is provided. (Cadet addresses change frequently and it is important to ensure CCIMM and CC Form 218 are correct. The address identified on Assignment Preference Sheet [CC Form 218-R] is the address of record used to compute travel.)

   (2) The proceed date and reporting date are shown on the DD Form(s) 1610, Request and Authorization for Travel of DOD Personnel, if applicable, or on the basic Accessions order.

   (3) Officers selected for AD are ordered to active duty based on a specific requirement (BOLC-B attendance, Advanced camp/Basic camp cadre duty, or GBR duty).

   (4) Commencement of travel before the proceed date and/or reporting early to the BOLC-B installation is not authorized unless specified in the orders.

e. Notify USAR or Army National Guard (ARNG) branch points of contact (POCs) of any change in commissioning dates or disenrollment actions for accessed Cadets designated Reserve Forces Duty. (Reference the USACC G1, Accessions and Security Contact list for most recent POCs/names/telephone numbers/email addresses.)
f. Ensure RFD 2LTs have received a BOLC-B scheduling notice at least 90 days prior to graduation.

g. Assist RFD designated Cadets who have not obtained a By-Name Request/Vacancy Hold Report for USAR or Letter of Acceptance (LOA) for ARNG, complete a DA Form 4651, Request for Reserve Component Assignment or Attachment, at http://my.usaac.army.mil/portal/dt, and select links for further information for the US Army Reserve and Army National Guard.

h. Document the counseling of RFD Cadets on their military service obligation and the requirement to attend BOLC-B within 36 months of commissioning.

i. Carefully check RD applications and supporting documents to ensure all forms are properly completed and signed.

j. ROTC Programs will submit appropriate documents IAW Appendix B for Cadets selected for Military Intelligence (MI), Cyber Branch, and Ordnance (EOD only) upon receipt of branch results. A Single Scope Background Investigation (SSBI) must be submitted for all individuals whose AD control branch is MI, CY, and OD (EOD only) by the established suspense date. Cadets selected for MI in RD should submit their SSBI through their reserve unit. If an AD lieutenant’s National Agency Check with Local Agency Checks and Credit Check (NACLC) is still open, contact the USACC HQS security specialist to get the investigation upgraded. If it has closed, the HRA will initiate the SSBI using Personnel Security Investigation Portal (PSIP). The Security Manager must enter the “SSBI submission date” on the CCIMM 2.0 security page. USACC G1, ASD, Accessions Branch, cannot process orders for AD 2LTs with a MI control branch unless a “SSBI submission date” is entered in CCIMM 2.0. MI 2LTs must hand-carry a hard-copy of their SF 86, Questionnaire for National Security Positions, including all signature pages, to BOLC-B. The security manager at the BOLC-B installation can check the Joint Personnel Adjudication System or, if necessary, contact the Office of Personnel Management (OPM) to verify the investigation has opened or been upgraded.

k. Once eligibility is verified and a commissioning date is established, prepare appointment documents (Memorandum of Appointment; DD Form 1A, Commission Certificate; and DA Form 71). Sign and date the DMG certificate provided by USACC G1, ASD USACC HQS for those individuals designated as a DMGs. Use the format at figure 3-2 to prepare the Memorandum of Appointment. The date of the memo and date of acceptance must match.

l. Educational Delay Selectees: For 2LTs selected for DL, the PMS will submit:

(1) A completed DA Form 591, Application for Initial (Educational) Delay from Entry on Active Duty and Supplemental Agreement, IAW AR 601-25, Delay in Reporting for and Exemption from Active Duty, Initial Active Duty for Training, and Reserve Forces Duty, chapter 2, paragraph 2-5, for Cadets selected for DL.
DA Form 591 must be completed through Part II - Enrollment Verification. A completed Supplemental agreement (DA Form 591e for Law; DA Form 591g for Medical fields; or DA Form 591h for Army Chaplaincy) must be submitted with the completed DA Form 591. Add these forms to the MPF/OMPF and mail to USACC HQS, DCS, G1 (ATCC-PAS-A).

In addition, each officer will be counseled on the requirement to be accepted by the appropriate graduate/advanced school and enroll no later than the date published in USACC Circular 601-XX-1 (pending) for the applicable annual accessions timeline. If an officer fails to be accepted and enroll as required, a DA Form 4187, Personnel Action, must be submitted to USACC HQS, DCS G1 (ATCC-PAS-A), by the suspense date established in USACC Circular 601-XX-1 (pending) of that year requesting either an extension of time to be accepted in graduate school or a Termination of Education Delay and a change in duty status to AD or RD. Failure to enroll as required or submit a DA Form 4187 by the suspense date will result in the officer being referred to HRC for change of status to AD/RD based on the needs of the Army. (Reference each USACC Circular 601-XX-1 (pending) for each fiscal year’s procedural guidance on accessions and Educational Delay procedures.)

m. Discharge Cadets in the US Army Control Group (ROTC) and USAR/SMP Cadets effective the day preceding their commissioning date. Contact the appropriate ARNG authorities to discharge ARNG/SMP Cadets one day prior to commissioning. (See AR 135-178, Enlisted Administration Separations, paragraph 3-4).

In conjunction with the commencement ceremony, the Memorandum of Appointment, Commission Certificate, and a copy of DA Form 71 should be presented formally to those graduating Cadets with such ceremony as deemed appropriate by the PMS and the head of the institution. The date of completion of the ROTC course should be early enough to enable the PMS to secure the oaths of office and present the above documents to the commissionees before they leave the institution.

c. Ensure those Cadets not eligible for appointment do not participate in a formal or “mock” swearing-in ceremony. This act constitutes acceptance of an appointment and could result in legal actions.

Accession orders cannot be published for this officer and a BOLC-B seat cannot be reserved until all commissioning documents have been scanned to iPERMS and emailed to the above specified action office within five days of commissioning. HRC no longer maintains the individual Military Personnel Records Jacket (MPRJ). Reference AR 600-8-104 and USACC Circular 601-XX-1 (pending) regarding pre-commission and post-commission documents. The USAR accession packet consists of the following list of documents and must be emailed to the above specified HRC Accessions Branch action officer at USARMY.KNOX.HRC.MBX.OPMD-OPD-RAA@MAIL.MIL, the email Subject line should read: “USAR Accessions 2LT Last Name of Officer”. Chapter 4 - Accessioning

4-1. Definition

Accession is the process by which a newly commissioned 2LT enters into the Army.

   a. Active Component. An active component LT is accessed into the Army on the date he/she enters active duty, which usually is different (later) than the date of commission. Most ROTC Commissioned officers selected for active duty will “access onto active duty” the date travel begins to their assigned BOLC-B course, except for Green to Gold ADO’s or Gold Bar Recruiters.

   b. Reserve Forces Duty. A reserve component officer is accessed into the United States Army Reserve (USAR)/Army National Guard (ARNG) when Human Resources Command (AHRC-ORD-A) is in receipt of the commissioning documents.

   c. The results of the current Fiscal Year (FY) Department of the Army Component Selection Board is a by-name selection identifying the RD component each Cadet received and are final binding upon approval by the DA G-1 DMPM (DAPE-MPO-AP). The HQDA G-1 records the distribution of RD Cadets based initially on the Army Reserve G-1 Unit Vacancy Hold Reports and the ARNG Letters of Acceptance (LOA) reported by the National Guard Bureau on behalf of the States’ G-1 Officer Strength Managers.

   d. All requests for a RFD component change must be requested by the date reflected in USACC Circular 601-XX-1 (pending) based upon each Fiscal Year’s established Command Accessions timeline. Requests for RFD component changes will only be considered for an exceptional circumstance such as a family hardship. Approval authority rests with HQDA G-1 Director or Military Personnel or CG, Human Resources Command depending upon if the Cadet has commissioned prior to or during the staffing of the component change. The CG, USACC may disapprove component change requests between ARNG and USAR. The procedures for staffing these actions are outlined in USACC Circular 601-XX-1 (pending) revised annually.

4-2. Commission/Accession Documents

   a. All newly commissioned officers’ documents have the same standard regardless of assigned component (Regular Army, USAR, or ARNG).

   b. The PMS is responsible to ensure all pre-commission and post-commission documents to include applicable educational delay documents are filed in the iPERMS in a timely manner. Reference AR 600-8-104, Army Military Human Records Management, dated 7 April 2014 http://www.apd.army.mil/jw2/xmldemo/r600_8_104/head.asp.

   c. iPERMS access may be obtained at:
(1) https://www.hrc.army.mil/TAGD/iPERMS%20Access (see “How do I get iPERMS access?”).

(2) For iPERMS technical assistance please call 502-608-0217, email usarmy.knox.hrc.mbx.perms-records@mail.mil or visit https://iperms.hrc.army.mil/rms/

(3) In order to obtain iPERMS access, you must submit a completed DD Form 2875 (System Authorization Access) request to your Brigade S1 Master Point of Contact (MPOC) for access to iPERMS. All applicable one time training requirements for Authorized User and Scan Operator must be completed and annotated on the DD Form 2875. The MPOC will then forward request for access to usarmy.knox.hrc.mbx.perms-records@mail.mil.

d. Each USACC Brigade S1 will appoint a primary MPOC (Deputy S1) and alternate MPOC (civilian as opposed to military to ensure continuity). This point of contact information will be provided to usarmy.knox.hrc.mbx.iperm-account@mail.mil. HRC Army Soldier Records Branch will provide the MPOC a list of Authorized Users and Scan Operators from ROTC Detachments within their respective brigade.

e. The lists of pre-commission and post-commission documents are specified in USAUSACC Circular 601-XX-1 (pending and published annually).

(1) Pre-commissioning documents must be uploaded within 10 working days of contracting.

(2) Post-commissioning documents must be uploaded within 5 working days from appointment. All applicable DA Form 591 [Educational Delay (DL)] documents will be uploaded into iPERMS upon approval of DL Board and graduate school NLT 1 July of the COHORT Year Group unless a 6 month extension has been approved by USACC.

(3) These DL forms must be mailed to USACC G1, ASD (ATCC-PAS-A, Attention: Educational Delay manager). After receipt and verification that the officer’s file is complete, USACC G1 ASD Education Delay manager will issue orders assigning the officer to HRC (AHRC-ORD-A) and ensure transfer to the appropriate representative at Human Resources Command.

(4) If the Human Resources Command iPERMS team does not confirm receipt; PMS/HRA must contact the iPERMS technical support team at: https://iperms.hrc.army.mil/rms/ or call 502-608-0217 for further assistance.

f. Use the procedures in DA Pam 600-8-104, Army Military Human Records Management, dated 12 February 2015 http://www.apd.army.mil/jw2/xmldemo/p600_8_104/head.asp to process commissioning OMPF documents in iPERMS. Refer to Paragraphs 4-1 Methods of Submitting Documents in iPERMS and 4-2 Managing Batches in the iPERMS.
g. Disposition of the AMHRR is NOT made until the officer either enters AD or is assigned to a reserve component unit (ARNG or USAR) and the appropriate order (AD or RFD) has been uploaded.

h. PMS will ensure commissioning data is entered into CCIMM 2.0 and Change Deletion Reports are processed in an expeditious manner as outlined in USACC Circular 601-XX-1 (pending) revised annually.

i. All ROTC Nurse students must pass the NCLEX prior to accepting appointment into the Army Nurse Corps branch. The initial Reserve of the Army Oath/DA Form 71 must read: “This Reserve of the Army appointment is for an indefinite term and without an assigned branch.”

Chapter 5 - Early Commissioning Program (ECP)

5-1. Definition

The ECP allows ROTC Cadets who have completed all ROTC requirements, except that of obtaining a baccalaureate degree, to be commissioned. Only Cadets who attend MJC's may be commissioned under the provisions of this program.

5-2. General.

a. Army ROTC Cadets graduating from a MJC are authorized to receive a commission under the ECP when otherwise eligible.

b. MJC Commissioning. Prior to commissioning as a MJC graduate, the Cadet must receive an associate’s degree from an MJC. Additionally, the MJC PMS must verify that the Cadet has received a letter of acceptance (LOA) to a Senior ROTC four-year degree granting institution. MJC graduates will be directed to contact the ROTC Program at the four-year degree granting institution. In addition, the MJC PMS must ensure the 2LT’s CCIMM cadet record upon commissioning is transferred out to the follow on 4 year institution in the CCIMM 2.0 Student/Cadet Information Folder using the BN to BN subfolder and performing the ‘transfer out’ actions. The gaining PMS is responsible for correctly pulling the student in the Q-ECP Tracking status by performing the ‘transfer in’ actions upon entrance to the four-year institution. In addition, the MJC PMS ensures all paper records are transferred by transmittal letter (see appendix F) to the gaining ROTC Program. The transferred records must include the minimum documentation for completion of an accession packet.

c. Upon commissioning, these officers should be immediately assigned to a RC unit and enrolled into a four-year college or university that has or is affiliated with a Senior ROTC Program.

d. MJC 2LTs assigned to a RC unit will be under the control of the RC unit commander and supervised by the PMS of the attending four-year institution until graduation. The RC unit commander and PMS must keep HRC (AHRC-DDA-M) and
USACC HQS, Recruiting, Marketing, and Incentives Directorate (RMID), informed on the Soldier’s performance status. ECP 2LTs are not deployable under any circumstances.

e. Recoupment and discharge actions will be taken against those 2LTs who do not complete their baccalaureate degree requirements within 36 months. The initiation of disenrollment from the ROTC program, requests for discharge, and recoupment actions will be in accordance with AR 135-175, Separation of Officers, AR 145-1, CCR 145-9, and USACC Pam 145-4, Contracting Standards.

f. MJC 2LTs with an approved GRFD revocation may request to active duty component during their accessions window. The revocation request must be submitted NLT 120 days prior to commissioning at the MJC.

g. Cadets at four-year ROTC colleges and universities are not eligible for commissioning under the provisions of the ECP.

5-3. Responsibilities

a. USACC HQS will:

c. Any ECP LT who wishes to transfer to another four-year institution must obtain an endorsement from the PMS at the current four-year institution and notify RMID, Incentives Division, GRFD Program Manager of transfer to amend orders.
(1) An ECP LT must transfer to another four-year institution that has or is affiliated with a SROTC program.

(2) In the event of a transfer request, an ECP LT must provide a letter of acceptance from the baccalaureate degree granting four-year SROTC institution that he/she wishes to attend. Failure to provide an official letter of acceptance from this institution will result in the lieutenant being denied the opportunity to transfer.

(3) The previously identified four-year school PMS will contact the newly identified/gaining PMS and inform him/her of the ECP LT’s intention to transfer to the local area. The losing PMS will also forward the ECP LT’s file, by transmittal letter, to the PMS at the gaining institution.

(4) The ECP LT, losing PMS, gaining PMS and Unit Commander will initiate a new MOU as outlined in this regulation for the new school/location.

(5) Both PMSs will inform Cadet Command, HRC (AHRC-DDA-M), and the ECP LT of the transfer of files.

(6) Any questions concerning the ECP program will be submitted to the RMID, GRFD Program Managers or the HRC (AHRC-DDA-M) POC Mr Bradley Smith at (502) 613-6356 or email bradley.t.smith6.civ@mail.mil.
